Attaching Ornaments to a Yule Cards: Add 2 Hole punches into BACK of Yule Card - ONLY! About 1 1/2" in from the left and right sides of the card and down 1/2" from the top or the fold of the card. Now, Starting

from the inside of the card pull your ribbon through one hole, across the back of the card and back through to the inside of the card. String your ornament onto the ribbon, and tie a bow. (Picture shows how it would hang INSIDE the card.)

INSTRUCTIONS: TOP: Cut out as 1 Piece and apply glue with a glue stick to the back and fold in middle. Hole punch the little grey circle. Attach Ribbon and hang. BOTTOM: Cut out the 2 Large Outer Suns as 1 Piece and FOLD on Dotted Line. Cut out the 2 separate inner circles. Now Cut OUT the shaded/gray area in the center of the sun. Use a hole puncher - punch out the small grey circles. Using a glue stick, stick the two halves of the larger ornament together, and then glue the two smaller circles together. Get 2 pieces of ribbon or string - a small piece and one long enough to hang your ornament from. Using the short string, hang the small ornament circle INSIDE the outer Sun ornament - tie a knot. The center circle should hang freely inside the outer area of the ornament. Attach Ribbon to sun and hang.
